

1.1.-30.4.19 MAS Urban Design 2019/20

Veröffentlicht

22:22:00 30.09.2018

The Master of Advanced Studies in Urban Design is a research and design laboratory for testing new models for the pro-active development of urban territories in a globalized world. As the making of the city is increasingly fractured by competing interests, the development of new modes of urban production becomes a prerequisite for considered actions. The MAS in Urban Design produces a new generation of design professionals equipped to deal with topics beyond the discipline.
